

MYRA S. BARNES INTERMEDIATE SCHOOL 24

Curriculum

Our varied courses of study allow opportunities for students to be challenged while still in Middle School. Our curriculum allows for engaging content which is culturally relevant and rigorous as we prepare our students for high school. Our Honors classes take the NYS Algebra, Living Environment and U.S. History Regents. Students are also offered the Second Language Proficiency Exam in Italian or Spanish.

Talents

Our school has found its strengths and defined its own mission. Within our mission, academics are our primary focus; however, the arts and talent development of our students holds high importance. The school has a well equipped and well staffed Talent and Arts program.

Extra Curricular Activities

Our school spirit and pride is experienced with the following activities and programs:

- Student Dances, Grade Trips, Assemblies.
- Community Involvement/Fundraisers.
- Student Performances: Concerts, School Musical
- After School Programs: Beat the Streets Wrestling, CHAMPS, Volleyball, Basketball & Soccer, Floor Hockey, Cycling, Archery, STEM Warriors, 3D Printing and Lego Robotics, Baking, Cooking, Chess Club, Dance and Art Classes, Jazz Band, Pit Band, ELA/Math Academy.
- United Activities Unlimited (UAU) after school program, a free program part of SONYC.
